Permit Validity and Important Notes

- Building permit valid for two years from the date of its issue.
- The commencement procedures for work must be completed at the concerned department before starting any construction process, as well as adhering to the maps approved by the competent authorities in the Dhofar Municipality.
- Legal procedures stipulated in the Local Order No. (96/2) and its amendments related to organizing the construction process will be taken against those who violate this.

Important note: You must check with the municipality before starting the exterior painting and cladding works of the building, and in case of violation of this, the building owner will bear full responsibility
